Missionaries to Lithuania

...whatsoever ye do, do all to the glory of God.

1 Cor 10:31

Pastor and praying friends,

Well, are now back in Lithuania. We would like to thank everyone praying for us!! We were able to get a lot accomplished on our trip to the States. Our 1st item of business was to submit my wife's application to renew her green card. That was the main reason for our trip back. After her biometrics appointment (fingerprints and photo) we spoke to a few workers about a certain rule regarding missionaries, and even showed them the publication, and they had never heard of it, but agreed that it means that Vaida could come and go as she pleased, so long as her green card isn't expired, and we are doing missions work overseas. That was a blessing to hear!!

We were also to get some work done on our backs. We had been in great need of a good chiropractor, but without one. The Lord allowed us to see my chiropractor in the Seattle area, and he not only was able to diagnose Vaida's back issues, but also got her set on the path to recovery!! He did neck x-ray's for her (her main area of discomfort), gave her an adjustment, and within about three seconds of examining her posture, he saw that her left leg was about 1/2" shorter than the right! That forced her hips to lean to the left, her shoulders to the right, her head back to the left, and culminated with pain in her neck. He adjusted us both as many times as two weeks would allow, and prescribed shoes that account for her shorter leg. The Lord also provided funds to purchase three new pairs of shoes for her!!

Also while we were in the States I was able to officiate my niece's wedding! It was a blessing and honor to have this young couple choose me as their officiating minister!

Now that we are back, we are planning/getting ready to have church services in our apartment. We will need to purchase furniture for our living room, have some song books made, purchase some bibles, and make some invitations for our first service. We are going to start having services (just Vaida and I) prior to that date, as practice, to get things ironed out, but we pray and hope people will start showing up.

Please pray for our first official service here (in about a month or so), that we are able to get our place set up for church services, and for souls to be saved!

Thanks and God bless!!

Chase and Vaida Smith
